

# SIMPLIFY DoD 8570.01-M COMPLIANCE

Deliver Exams On Site With Pearson VUE

IT exams that support  
DoD 8570.01-M compliance:

CompTIA A+®

CompTIA Security+®

CompTIA Network+®

Cisco®

EC-Council®

...and many more!

## Become a Pearson VUE® Authorized Test Center

*Leading organizations who have approved certifications listed on the DoD Directive 8570.01-M deliver their exams with Pearson VUE. Provide on-site testing to offer a wide variety of exams and convenient testing times without disrupting military work schedules.*

## Pearson VUE Simplifies DoD Directive 8570.01-M Compliance

- Choose to test service members on the installation or at an off-base Pearson VUE Authorized Test Center.
- The Test Where You Train program allows your training provider to deliver DoD 8570.01-M exams as part of the training program.
- Pearson VUE is fully integrated with the Personnel Certification Support System (PCSS®) Program for compliance tracking, voucher distribution and test scheduling at a Pearson VUE location.

## Deliver DoD 8570.01-M Exams Where You Train

- Service members stay on the installation to test.
- USD currency vouchers can be used for exam payment at installations worldwide.
- Email [DoD@pearson.com](mailto:DoD@pearson.com) to get started today!

# FREQUENTLY ASKED QUESTIONS

## How do I begin testing with Pearson VUE?

Simply email your request to [DoD@Pearson.com](mailto:DoD@Pearson.com). The required documentation and Hardware Requirements form will be emailed to you for review. When your documentation is received, an installation kit will be shipped to your location.

## What are the requirements for the testing area?

Any distraction-free location (such as an enclosed area or classroom) equipped with at least two computers and access to the Internet can be established as a temporary or permanent test center. No dedicated hardware is necessary. Hardware requirements can be located at [PearsonVUE.com/PVTC/technical\\_reqs.pdf](http://PearsonVUE.com/PVTC/technical_reqs.pdf).

## How does data transfer happen?

## How do I connect with you?

The Pearson VUE system utilizes the speed, reliability and cost-effectiveness of the Internet to register candidates, download exams and transmit results.

---

*"We fully expect to see the testing program grow as word of our capabilities spreads."*

*– Carl Frenz  
Director, Base Training and Education Services  
NTC - Yokota AFB*

---

## What exams can I deliver as a Pearson VUE® Authorized Test Center?

A complete list of IT, academic, and professional exams available through military Pearson VUE® Authorized Test Centers can be found at [PearsonVUE.com/military/exams](http://PearsonVUE.com/military/exams).

## How does Pearson VUE certify an administrator to proctor at my military installation or education center?

Each location is responsible for providing adequate proctoring. A self-paced PowerPoint training presentation is available on the Pearson VUE Support Services website. Once training is completed, the administrator must take and pass a no-cost, open-book exam on a Pearson VUE test delivery workstation at your center.

## How are exam fees processed?

All fee transactions are handled by the Pearson VUE software. There are two forms of payment—credit card or voucher.

## What is a voucher?

## How do the commands purchase them?

A voucher is a payment code used for exam fees. Request a quote at [DoD@Pearson.com](mailto:DoD@Pearson.com), contact the Pearson VUE voucher store at 1-800-869-4101 or complete an online secure order form at [PearsonVUE.com/military/vouchers](http://PearsonVUE.com/military/vouchers).

---

*"The Pearson VUE military program is easy to use and an outstanding asset to get soldiers certified. I think that every installation or major command should have a Pearson VUE testing center available."*

*– MSG Jones  
USA 501st SBDE S-6 NCOIC*

---

## Who determines the price of the tests?

Each testing organization decides the price of its exams.

## What is the DoD Directive 8570.01-M?

The DoD 8570.01-M identifies the certifications mandated by the Directive's enterprise-wide certification program. For more detailed information visit [PearsonVUE.com/military/8570](http://PearsonVUE.com/military/8570).

## What if I need help?

## Does Pearson VUE provide any support?

Our friendly and knowledgeable Pearson VUE Support Services team is available 24 hours a day, 7 days a week to help guide you through any issues that may arise. In addition, you have the ability to report and check the status of site incidents, schedules and history at any time through the Pearson VUE Support Services website.
